

Nate Ellis, Senior Vice President of Real Estate, Rabin

Nate is involved in both the acquisition and management of industrial real estate projects at Rabin. Nate manages the redevelopment and repositioning of properties as well as overseeing construction, parceling, and all related activities to redevelopment, leasing and the disposition of assets. Nate is adept at building strong relationships with local stakeholders and working closely with cities and municipalities. Prior to joining Rabin, Nate worked on several development projects, where he was responsible for the development/redevelopment of over 11 million square feet of commercial space. Nate graduated from UC Davis with an MBA in Finance, Entrepreneurship and Organizational Behavior.
